

Bald B in Where Are My Veggies?

GATHER YOUR VEGGIES!

Choose the type and number of vegetables you want to collect. Every pick affects the entire Life Grid, so plan wisely before you step inside!

WATCH OUT FOR ENEMIES!

Some creatures want your veggies more than you do!

Navigate carefully, time your movements, and choose the safest path to protect your harvest.

COOK THROUGH THE LIFE SIMULATION!

Drop your veggies onto the 5x5 Life Grid and watch them evolve using a real Conway's Game of Life simulation!

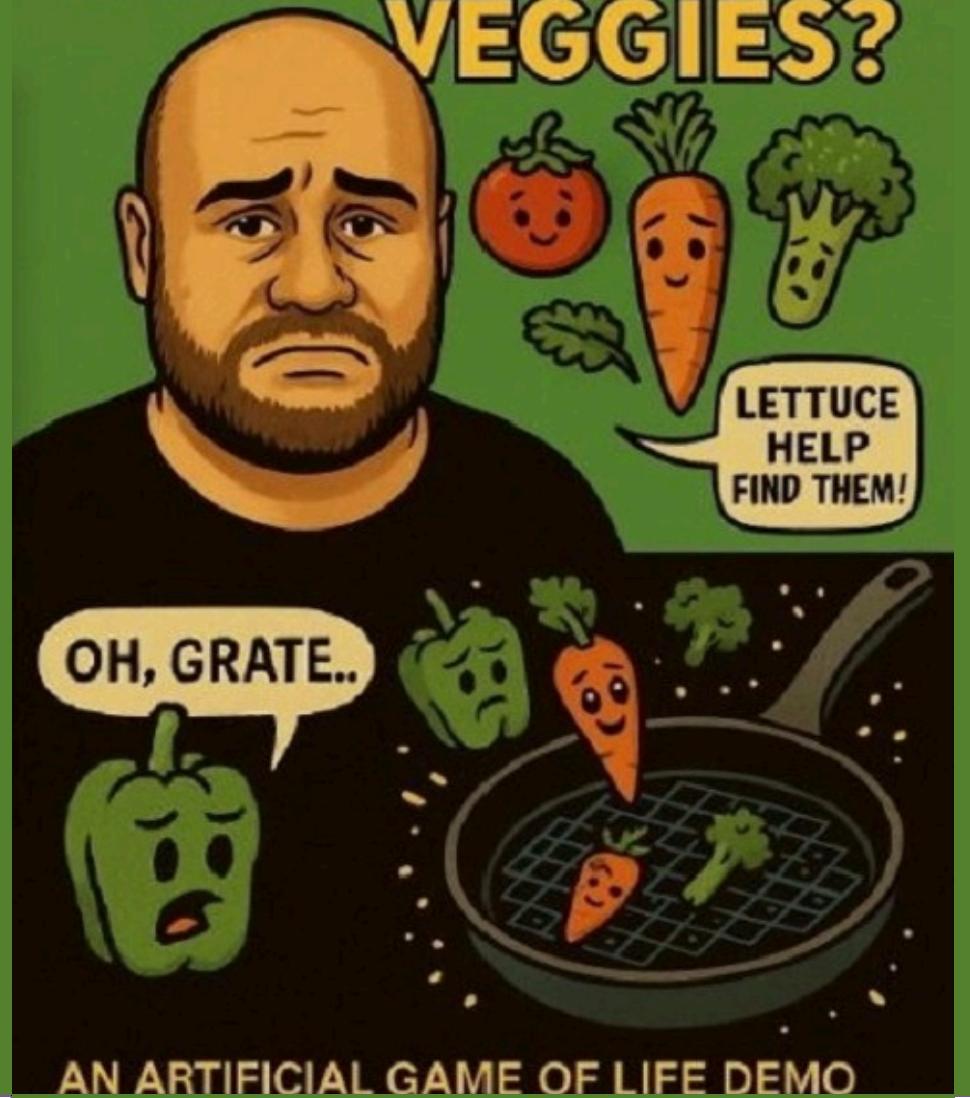

Growth, decay, explosion patterns, every outcome depends on your earlier choices.

Are YOU ready to shape life itself on an 8-bit grid?
WELCOME TO A FRESH, FLAVORFUL, AND EDUCATIONAL NES ADVENTURE!
